

Council event criteria

The Events listing is produced to promote the many activities held within the MidCoast Council area. If your organisation has a one-off community event they wish to have considered for inclusion, please read the following guidelines and complete the online form.

Eligible events

A community event is defined as a happening that brings people together to celebrate, raise funds and to enjoy. The event must be:

- held within the MidCoast Council area
- made available to the community in general, not just members of clubs etc.

Please note

- Activities such as weekly club meetings, classes or courses will not be included.
- Activities promoting or linked to political parties and private enterprise will not be included.
- The contact person's name and telephone number will be published to allow the reader to gain further information.
- **Make sure that your event is at least 2 weeks away before submitting the form below. We cannot guarantee events will be uploaded at short notice.**
- Council has the right to determine which events will be listed.
