

# Rocky Hill Coal Project Gloucester

## Planning & Environment

An amended Environmental Impact Statement (EIS) for the proposed Rocky Hill Coal Mine, Gloucester, is currently on public exhibition.

- The EIS sits alongside the proposal to modify the Development Consent for the Stratford Mine.
- The revised documentation can be viewed at [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au)
- Search “Rocky Hill” for the Rocky Hill Coal project, and “Stratford” for the Modification to Stratford Extension Project.

### For easy access to the documents:

- Drop into our Customer Service Centre at 89 King Street to view the documents; or
- Collect a USB that contains the documents [issued by the NSW Department of Planning and Environment] from our Customer Service Centre; or
- Follow the links from the information page on our website, [www.midcoast.nsw.gov.au/rockyhillproposal](http://www.midcoast.nsw.gov.au/rockyhillproposal)

**Submissions can be made at the Department of Planning and Environment website until Friday 14 October 2016.**

MidCoast Council is one of many stakeholders who will lodge a submission in response to the amended DA/EIS.

The submission prepared by our staff will be considered by the Administrator at an extraordinary Council meeting in October.

**MidCoast**  
Council

### Community Meetings

To help make an informed submission, you're invited to meet with representatives of the Department of Planning and Environment.

We'll also be on hand to assist you.

#### When:

Tuesday

6 September, 2016

#### Session 1: 12pm - 3pm

Council Chambers,  
89 King Street

Drop in any time and chat with us and Department representatives about the proposals and the submission process.

#### Session 2: 5.15pm - 7pm

Senior Citizens Centre,  
Hume Street

Join a facilitated presentation, with the opportunity to have your questions answered by the Department.

**Please note:** As a State-Significant Development, the NSW Department of Planning and Environment is the consent authority.

Our role is to assist you in accessing and understanding their proposals.
