

## Do you work or volunteer in the community sector?

-  Need more funding for your organisation or group?
-  Want to attract more clients to your service?
-  Wonder where to start with your social media?

Yes? Then join MidCoast Council and Kerry Grace from Evolve Network for two invaluable and FREE workshops.

Kerry has worked alongside people who work in community for over a decade and will share a range of skills to help you achieve your goals. RSVP today to attend one or both workshops.

### **Workshop 1: Hot tips for funding**

Learn some quick and easy tips to enhance your funding outcomes. In an ever-competitive funding environment a good application is no longer enough. What else should you know?

### **Workshop 2: Social media for the community sector**

Want to engage your community online? Not sure where to start (or why you should bother). This workshop covers various social media platforms, understanding your market and tips to save you time as you reach your audience.

**The workshops are designed to deliver the skills you need to apply right now. Bring your questions and challenges to get the most value for your time.**
