Part A – Introduction

1. Introduction

- 1.1. The provision of expenses and facilities enables Councillors to fulfil their civic duties as the elected representatives of MidCoast Council.
- 1.2. The community is entitled to know the extent of expenses paid to Councillors, as well as the facilities provided.
- 1.3. The purpose of this policy is to clearly state the facilities and support that are available to Councillors to assist them in fulfilling their civic duties.
- 1.4. Council staff are empowered to question or refuse a request for payment from a Councillor when it does not accord with this policy.
- 1.5. Expenses and facilities provided by this policy are in addition to fees paid to Councillors. The minimum and maximum fees a council may pay each Councillor are set by the Local Government Remuneration Tribunal as per Section 241 of the Act and reviewed annually. Council must adopt its annual fees within this set range.

2. Policy objectives

- 2.1. The objectives of this policy are to:
 - enable the reasonable and appropriate reimbursement of expenses incurred by Councillors while undertaking their civic duties
 - enable facilities of a reasonable and appropriate standard to be provided to Councillors to support them in undertaking their civic duties
 - ensure accountability and transparency in reimbursement of expenses and provision of facilities to Councillors
 - ensure facilities and expenses provided to Councillors meet community expectations
 - support a diversity of representation
 - fulfil Council's statutory responsibilities.

3. Principles

- 3.1 Council commits to the following principles:
 - **Proper conduct:** Councillors and staff acting lawfully and honestly, exercising care and diligence in carrying out their functions
 - **Reasonable expenses:** Providing for Councillors to be reimbursed for expenses reasonably incurred as part of their role as Councillor
 - **Participation and access:** Enabling people from diverse backgrounds, underrepresented groups, those in carer roles and those with special needs to serve as a Councillor

- **Equity:** There must be equitable access to expenses and facilities for all Councillors
- **Appropriate use of resources:** Providing clear direction on the appropriate use of Council resources in accordance with legal requirements and community expectations
- **Accountability and transparency:** Clearly stating and reporting on the expenses and facilities provided to Councillors.

4. Private or political benefit

- 4.1. Councillors must not obtain private or political benefit from any expense or facility provided under this policy.
- 4.2. Private use of Council equipment and facilities by Councillors may occur from time to time. For example, telephoning home to advise that a Council meeting will run later than expected.
- 4.3. Such incidental private use does not require a compensatory payment back to Council.
- 4.4. Councillors should avoid obtaining any greater private benefit from Council than an incidental benefit. Where there are unavoidable circumstances and more substantial private use of Council facilities does occur, Councillors must reimburse Council.
- 4.5. Campaigns for re-election are considered to be a private interest. The following are examples of what is considered to be a private interest during a re-election campaign:
 - production of election material
 - use of Council resources for campaigning
 - use of official Council letterhead, publications, websites or services for political benefit
 - fundraising activities of political parties or individuals, including political fundraising events.

Part B – Expenses

5. General expenses

- 5.1. All expenses provided under this policy will be for a purpose specific to the functions of holding civic office. Allowances for general expenses are not permitted under this policy.
- 5.2. Expenses not explicitly addressed in this policy will not be paid or reimbursed.
- 5.3. Any claim from a Councillor outside the terms within this Policy will be subject to an exceptional circumstances assessment by the Public Officer and General Manager.

6. Specific expenses

- 6.5. This section includes reference to long distance intrastate travel. At MidCoast Council long distance intrastate travel is travel that is estimated to take more than four hours from the Councillor's residence.
- 6.6. In accordance with Section 4, Council will scrutinise the value and need for Councillors to undertake overseas travel. Councillors should avoid interstate, overseas and long distance intrastate trips unless direct and tangible benefits can be established for Council and the local community. This includes travel to sister and friendship cities.
- 6.7. Council will set aside an annual budget to facilitate total interstate, overseas and long distance intrastate travel expenses for all Councillors.
- 6.8. Councillors seeking approval for any interstate and long distance intrastate travel must submit a request to, and obtain the approval of a full Council Meeting to travel. Where approval at a full council meeting is not possible or appropriate then approval should be given jointly by the Mayor and the General Manager. If the mayor requires approval it should be given jointly by the Deputy Mayor or another councillor and the General Manager.
- 6.9. The request should include:
 - objectives to be achieved in travel, including an explanation of how the travel aligns with current Council priorities and business, the community benefits which will accrue as a result and its relevance to the exercise of the Councillor's civic duties.

- 6.11. When travel is using airline travel the following applies to class of travel:

 - More than three hours – premium economy where it is available otherwise economy
- 6.12. Bookings for approved air travel are to be made by Council staff on behalf of the Councillor.

Travel expenses not paid by Council

- 6.14. Council will not pay any traffic or parking fines or administrative charges for toll road accounts.

Accommodation and meals

- 6.15. In circumstances where it would introduce undue risk for a Councillor to travel to or from official business in the late evening or early morning, reimbursement of costs for accommodation and meals on the night before or after the meeting may be approved by the General Manager. This includes where a meeting finishes later than 9.00pm or starts earlier than 7.00am and the Councillor lives more than 50 kilometres from the meeting location.
- 6.16. Council will reimburse costs for accommodation and meals (when meals are not provided) while Councillors are undertaking prior approved travel or professional development.

Professional development

- 6.22. Council will set aside an annual budget to facilitate professional development of Councillors through programs, training, education courses and membership of professional bodies.
- 6.23. In the first year of a new Council term, Council will provide a comprehensive induction program for all Councillors which considers any guidelines issued by the Office of Local Government (OLG). The cost of the induction program will be in addition to the ongoing professional development funding.
- 6.24. Annual membership of professional bodies will only be covered where the membership is relevant to the exercise of the Councillor's civic duties, the Councillor actively participates in the body and the cost of membership is likely to be fully offset by savings from attending events as a member.
- 6.25. Approval for professional development activities is subject to a prior written request to Council outlining the:
- details of the proposed professional development
 - relevance to Council priorities and business, and
 - relevance to the exercise of the Councillor's civic duties.

Council will also meet the reasonable cost of meals when they are not included in the conference fees. Reimbursement for accommodation and meals not included in the conference fees will be subject to Clauses 6.16 - 6.17.

Local Government NSW Annual Conference

- 6.31. Councillors will also be permitted to attend the Local Government NSW Annual Conference. Council will organise the booking and registration and meet the

costs of this conference including additional accommodation before or after the conference where necessary because of travel requirements subject to the provisions in 'Accommodation and meals' (6.15 – 6.19)

- 6.37. Council may provide appropriate ICT equipment up to a limit of \$6000 per Councillor upon the commencement of their term of office. The determination as to what equipment will be provided will be made by the General Manager based upon Council's general ICT program and identified business needs.
- 6.38. Reimbursements will be made only for communications devices and services used for Councillors to undertake their civic duties, such as:
- receiving and reading Council business papers
 - relevant phone calls and correspondence
 - diary and appointment management.
- 6.39. Councillors may seek reimbursement for applications on their mobile electronic communication device that are directly related to their duties as a Councillor, within the maximum limit.
- 6.40. Council may from time to time provide Councillors with upgraded equipment or new facilities where doing so will result in efficiencies and aligns to Council's general ICT program.

Special requirement and carer expenses

- 6.41. Council encourages wide participation and interest in civic office. It will seek to ensure Council premises and associated facilities are accessible, including provision for sight or hearing impaired Councillors and those with other disabilities.
- 6.42. Transportation provisions as outlined in this policy, such as access to Cabcharges, will also assist Councillors who may be unable or unwilling to drive a vehicle.
- 6.43. In addition to the provisions above, the General Manager may authorise the provision of reasonable additional facilities and expenses in order to allow a Councillor with a disability to perform their civic duties.

- 6.44. Councillors who are the principal carer of a child or other elderly, disabled and/or sick immediate family member will be entitled to re-imbursement of carer's expenses at a rate of \$20 per hour up to a maximum of \$2,500 per annum for attendance at official business, plus reasonable travel from the principal place of residence.
