

# VERY HIGH RESTRICTIONS NOW IN FORCE\*

## Business, commercial and industrial

Water only to be used for essential production.

Non-production outdoor use is the same as residential restrictions - details below.

### Nurseries and market gardens

You can use sprinklers and fixed hoses between 8pm and midnight. Hand held hoses can be used at any time.

### Motor dealer vehicle washing

The use of all machine washers is banned.  
Hand washing with a bucket only.

### Mobile water tankers

Only to be used for firefighting, construction, inside residential, or public health purposes.

### Construction industry

Hoses must be fitted with a hand-held trigger to shut off flow when released.

### Non-production outdoor use

There is a total ban on all sprinklers and watering systems.

You can use handheld hoses for 10 minutes every second day, before 9am or after 4pm. Watering cans or buckets can be used every second day.

No swimming pool top-ups.

Car or boat wash with a bucket only and trigger hose for rinsing as part of the 10 minute allocation.

### How every second day works

- If your house is an even number then you can water on the even days of the month (the 2nd, 4th, 6th etc).
- If your house in an odd number, then you can water on the odd days of the month, (the 1st, 3rd, 5th etc).
- There is no residential outside water use on the 31st of the month.

**Keep an eye on the weather forecast. If rain is on the way, please don't water outside!**

\* Water Restriction levels current on the date printed above. Please check the website below for updates to water restrictions.
