Visit our website for further information.

Declutter workshop

Gloucester Library will be holding a "Less is More Declutter Workshop" on Friday 10 May 2019 from 10.30am – 12.30pm. Surrounded by clutter? Join a free workshop and learn how to make space in your home and your life by disposing of excess stuff sustainably.

Bookings essential - visit midcoastlibraries.com.au for more information and to register.

Local community conversations

Thanks to everyone who came along to one of our Community Conversations.

While there's still a few to go across the region, don't forget to head online to check out the frequently asked questions that were raised online and at the meetings in your area. These are being collated into a Q&A document for each local community, so whether you attended a session or not, visit our website to view the FAQs for your location - www.midcoast.nsw.gov.au/conversations

Community funding - apply now

If you're a community group, event organiser, or own property in one of our heritage conservation areas, you could be eligible for community funding.

Applications are currently being invited for funding through our Community Donations program, our Event Sponsorship program, and the Local Heritage Fund.

This is a great opportunity for you to activate a project that helps strengthen our community, by bringing people together, improving local facilities, attracting visitors to our region, or building capacity.

Get your thinking caps on, and head to www.midcoast.nsw.gov.au/funding for more information about who's eligible and how to apply.

Applications close on Friday 10 May.

Bulky waste clean-up

The scrap metal and bulky waste clean-up will take place again this year. It kicks off on Monday 29 April for residents in the Great Lakes region, with Manning to follow from 24 June, and Gloucester from 19 August.

You should check the date for collection in your specific zone, and place your waste out according to the schedule – no earlier, as this will be considered illegal dumping and you could be fined.

Visit www.midcoast.nsw.gov.au/bulkywaste for more information.

Careers at Council

We are seeking a suitably qualified person to fill the role of:

- Response, Operations and Maintenance Operator
- Visit our website for further information and to apply.
