Water restrictions are in force

Moderate Level 1 Water Restrictions are in force for all areas of the MidCoast Council region.

All outdoor water use is restricted to hand held hoses for one hour every second day, between 4pm - 9am. For even numbered houses, water on even days of the month; odd numbered houses, on the odd days of the month; no watering on 31st of each month.

For more information on water restrictions visit: www.midcoast.nsw.gov.au/waterrestrictions

Gloucester Community Plan Steering Group

Thanks to everyone who shared their ideas at a think tank session or by filling in the survey in stage 1 of the Local Community Planning process for Gloucester. We're now looking for community-minded locals to be part of a steering group to drive the planning process forward.

As well as ensuring the plan is developed to reflect the ideas and priorities of the entire community, members of the steering group will play an important role in planning, scoping and overseeing delivery of the identified actions.

Find out more about what's involved by viewing the Charter at www.midcoast.nsw.gov.au/LCP, where you can also complete an expression of interest to be part of the steering group.

Hurry, nominations for the Gloucester steering group close on Friday 11 October.

Your rates allow us to provide a broad range of services right across the MidCoast, helping to make our region a vibrant and enjoyable place to live, work and play.

From maintaining 3,000 hectares of open space and handling over 112,000 tonnes of waste, through to welcoming 37,000 members into our libraries and supplying around 11 billion litres of water each year, we deliver hundreds of different services you use every day – some you probably rarely think about, but you'd miss them if they weren't there.

Visit www.midcoast.nsw.gov.au/everyday to learn more about recent achievements and you can also register to receive our weekly news wrap-up.
