Proposed road naming

In accordance with the requirements of the Geographical Names Board of NSW, the Roads Act 1993 and Roads (General) Regulation 2008, MidCoast Council proposes:

That the newly constructed private road part of a DA441/2017 - Lot 83 Kularoo Drive, Forster be named Pacific Cape Circuit. This name sits in well with the village name and resounds well in the community. It was popular with existing residents surveyed.

Written submissions will be accepted by email or post by Wednesday 26 September 2018.

If the submission is made by way of objection, then the grounds of the objection must be specified.

Tell us what MidCoast youthink

If you're 14 – 24 and live locally, now's your chance to tell us what youthink! By taking our survey you'll help shape the Youth Strategic Plan, a three-year framework for youth-focused support and services that takes into account your needs, concerns, issues and challenges. Input from parents, guardians and adults involved in providing local youth services is also welcome.

For more info visit www.midcoast.nsw.gov.au/youthink where you'll also find the link to the survey.
