- Team Leader Development Engineering

Visit our website for further information and to apply.

## Have your say

We are seeking community feedback on:

- Proposed road naming - Lot 83 Kularoo Drive, Forster
- Road name suggestions at Bowman Farm Road, Gloucester
- Road name suggestions at Waitui Road, Waitui

Visit our website for further information.

## Council meeting

The next Ordinary meeting of Council will be held at the Taree Administration Centre, Wednesday 26 September at 2pm.

As always, you may submit a request to address the meeting on any item listed on the agenda.

**New process:** Prior to each Council meeting, a public forum will be held from 1.15pm - 1.45pm, where you can submit a request to speak on matters that are not contained on the council meeting agenda.

For more information and to submit a request to speak at either the Council meeting or the public forum, visit [www.midcoast.nsw.gov.au/councilmeetings](http://www.midcoast.nsw.gov.au/councilmeetings).

We encourage members of the public to sit in on our meetings, as a way of finding out more about how council works and to stay updated on what is happening in the MidCoast Council area.

## Intended pesticide application

We have instructed Local Pest Experts to carry out pesticide applications in the Great Lakes Region, which are scheduled to be carried out during October and November 2018.

Pesticides are being used for ants, spiders and cockroaches. Pesticide products will be applied to Council structures including public buildings.

Pesticides used will be selected from: Biflex Aquamax insecticide, Synergy Pro ant bait, Starrdust Pro, Maxforce Gold Gel, Enviromax Deltamethrin, Temprid 75, Termidor.

Residents (including pets) are advised not to enter the premises through any treated areas until the pesticides used have dried, or any special instructions advised on the notice erected on the day(s) of treatment.

For any further information please contact Council's Team Leader Property & Contract Management Michael Cross on 6591 7222.

## On our roads and bridges

Keep an eye out for our maintenance and construction crews in these areas:

- **Bulahdelah - Lee Street** - pavement reconstruction. Stage 1 of the project in Lee & Stroud Streets is coming to a conclusion. Bitumen sealing occurred last week, asphaltting to follow this week. Works will then commence on the Lee/Crawford Street intersection. Due for completion in October.
- **Jimmys Beach Sand Transfer System** - works along The Boulevard for the pipeline will start this week, and work on the pump station at Winda Woppa continues.
- **Marine facilities, Tea Gardens** - second pontoon and shelter at existing wharf. Works are scheduled for completion mid to late October.
- **Dredging of The Gut, Tea Gardens** - Dredging works are programmed to be completed this week.
- **The Lakes Way, Bungwahl** - pavement reconstruction. Bitumen sealing occurred last week with minor housekeeping works planned for this week.
