

## Careers at Council

We are seeking suitably qualified people to fill the roles of:

- Training and Development Coordinator
- Development Coordinator - Water Services
- Team Members Construction - Water Services

Visit our website for further information and to apply.

## Council meeting

The next Ordinary meeting of Council will be held at the Taree Administration Centre, today, 26 September at 2pm.

**New process:** A public forum may be held from 1.15pm-1.45pm. (Requests to speak have closed).

We encourage members of the public to sit in on our meetings, as a way of finding out more about how Council works and to stay updated on what is happening in the MidCoast Council area.

## MidCoast Housing Strategy

Right now, we're zoning in on the zones used across every part of our region. This includes updating the planning rules for urban housing, making them consistent across MidCoast and ensuring they cater for our future needs.

Come along to a community workshop near you to see how residential zones currently work, discuss a potential suite of residential zones and how they might be applied. Workshops will be on:

- **Tuesday, 16 October 2018**  
11am-1pm at Harrington; and  
6-8pm at Hallidays Point
- **Wednesday, 17 October 2018**  
11am-1pm at Tea Gardens;  
6-8pm at Old Bar; and  
6-8pm at Taree
- **Thursday, 18 October 2018**  
11am-1pm at Forster; and  
11am-1pm at Gloucester

If you would like to attend, please register by Friday 12 October at [www.midcoast.nsw.gov.au/housing](http://www.midcoast.nsw.gov.au/housing) or call 6591 7222.

Zoning in on our Future is a project to develop updated and consolidated planning rules for the MidCoast region by 2021.

## Community information session

### Tallwoods Manufactured Homes Estate application

Our planning team is hosting an information session on **Tuesday 2 October, at 6-7pm at the Black Head SLSC** to provide members of the community with details on a proposal received for a Manufactured Homes Estate at 303 Blackhead Road, Tallwoods.

The session will provide details about the application, the assessment process, and the process for making a submission.

## On our roads and bridges

Keep an eye out for our maintenance and construction crews in these areas:

- **Bulahdelah - Lee Street** - pavement reconstruction. Stage 1 of the project in Lee & Stroud Streets is coming to a conclusion with asphalt works finished last week. Works scheduled for completion in October.
- **Jimmys Beach Sand Transfer System** - works along The Boulevard for the pipeline have started, and work on the pump station at Winda Woppa continues. Programmed for completion early 2019.
- **Marine facilities, Tea Gardens** - second pontoon and shelter at existing wharf. Works are scheduled for completion mid to late October.
- **Dredging of The Gut, Tea Gardens** - Dredging works have been completed. Decommissioning of the dredge has started and is expected to be concluded by the end of the month.
- **The Lakes Way, Bungwahl** - pavement reconstruction. Bitumen sealing occurred last week with minor housekeeping works planned for this week. Works will be completed prior to the mid-October forecast.
- **Water Street, North Arm Cove** - Stormwater drainage works to rectify nuisance flooding issues. Works scheduled for completion at the end of the month.
- **Bombah Point Road, Bombah Point** - Upgrading rural gravel road to bitumen seal.
