Targeting illegal dumping

Did you know that dumping waste along our roadsides, in bushland, or in our waterways carries on-the-spot fines starting from \$2,000? Help us stamp out illegal dumping and preserve the natural beauty of our region by reporting anything you see at www.ridonline.epa.nsw.gov.au or by phoning 131 555.

You can also help us plan future initiatives targeting illegal dumping by taking a short survey on our website, where you'll also learn about the negative impacts that illegal dumping has on our environment and property values.
