Help us out this summer

Our summer water saving program starts with daylight saving on Sunday 7 October. The message is simple - don't spray in the middle of the day. We ask that outdoor water use is limited to before 9am and after 4pm. For more details go to www.midcoastwater.com.au or call 1300 133 455.

MidCoast Housing Strategy

Right now, we're zoning in on the zones used across every part of our region. This includes updating the planning rules for urban housing, making them consistent across MidCoast and ensuring they cater for our future needs.

Come along to a community workshop to see how the residential zones currently work, discuss a potential suite of residential zones and how they might be applied. The workshops will be on:

- **Tuesday, 16 October 2018**
11am-1pm at Harrington; and 6-8pm at Hallidays Point
- **Wednesday, 17 October 2018**
11am-1pm at Tea Gardens; 6-8pm at Old Bar; and 6-8pm at Taree (Wingham residents are invited to this session)
- **Thursday, 18 October 2018**
11am-1pm at Forster (Tuncurry residents are invited to this session); and 11am-1pm at Gloucester

If you would like to attend, please register at www.midcoast.nsw.gov.au/housing or call 6591 7222.

Zoning in on our Future is a project to develop updated and consolidated planning rules for the MidCoast region by 2021.
