### Tuncurry's 7 day makeover

A group of Tuncurry business owners is behind a community-driven push to transform Tuncurry's main centre in just 7 days, using people power, an impossibly short time frame and very limited budget.

The exciting event is supported by Council's Vibrant Spaces initiative and is a whole-of-community event, with volunteers welcomed.

The team is in the planning stage now, with the 7 day makeover dates set for Saturday 22 - Saturday 29 June 2019.

Visit [www.7day.com.au](http://www.7day.com.au) for more information.

### Finalising King George Parade Forster

A 630m section of King George Parade (from Elizabeth Parade) was rehabilitated last month, providing a smoother and safer road surface and repaired kerb and guttering. If you're a regular user of this route, keep an eye out for our crews who'll return over the next week to complete the project by laying an Asphalt seal. The end result will be a long-lasting road pavement that helps us in minimising on-going maintenance costs.

With all roadworks, please observe signage and directions from road crews and travel with caution. Find out more about roadworks across the region, or search roadworks near you at [www.midcoast.nsw.gov.au/roads](http://www.midcoast.nsw.gov.au/roads)
