2018/19 Donations program - now open

If you're a community group looking to get a project off the ground, our donations program may be just what you need to get started.

Up to \$2,000 per eligible organisation is now available for projects that make a positive difference to the people in your local community. It could be first aid equipment, training, improved access, or technology - whatever you have in mind, find out more about who's eligible and the criteria you'll need to meet, along with the on-line application form at www.midcoast.nsw.gov.au/1819Donations.

Hurry applications close this Friday 7 September.

Roadside vegetation spraying

We will be carrying out herbicide spraying on roadsides and reserves during September through to end December 2018 within the entire MidCoast Local Government area, to target general vegetation, grasses, annual and perennial Weeds.

This program is subject to weather conditions. Only qualified operators will be undertaking works. Subject to availability and need, registered herbicides containing 360g/L glyphosate, and/or 600 g/kg Metsulfuron-Methyl and/or 300g/L Triclopyr; 100g/L Picloram; 8g/L Aminopyralid will be used as per the requirements of the label and APVMA off label permit 9907 where applicable.

Scheduled areas will be assessed individually and treated as required. Individual areas will be sign-posted at the times of treatment in commonly accessed areas. A list of areas to be treated is available by contacting us.
