Planning Proposal & DCP amendment

Proposal: To provide clarity around where Manufactured Home Estates are permitted or prohibited. A Planning Proposal proposes to introduce a new local provision that defines Manufactured Home Estates for inclusion in the Greater Taree Local Environmental Plan (LEP) 2010, Great Lakes LEP 2014 and Gloucester LEP 2010. In addition, changes are proposed to the land use table for the R1 - General Residential zone in the Greater Taree LEP 2010 to 'close' the zone to clearly identify uses as permissible or prohibited. The Minister for Planning has delegated the making of these LEP amendments to Council.

Manufactured Home Estates development requirements are also proposed to be included in the Greater Taree Development Control Plan (DCP) 2010, Great Lakes DCP and Gloucester DCP 2010.

Location: applies to land included in the three LEPs (stated above) to which development for the purposes of a caravan park is permitted.

View amendment: on our website, or at our offices during opening hours.

On exhibition: until close of business Friday, 31 July 2020.

Make a submission: Written submissions will be accepted by email or post before the end of the exhibition period. Please quote the reference number S671/06/02 when making a submission.
