Draft Rural Strategy open for feedback

Our rural areas make up 95% of the region, making them a defining feature of the MidCoast. Right now, we're seeking feedback on a draft Strategy that proposes a new planning framework for our waterways, rural and environmental lands which contain a diverse range of resources and amenities that underpin our lifestyle and livelihoods. The draft Rural Strategy is part of a broader project to develop consistent, region-wide planning controls to replace the three we are currently working with.

Find out more and have your say on the draft Rural Strategy: www.haveyoursay.midcoast.nsw.gov.au before Friday 19 November. You can also arrange a by-phone appointment with our Land Use Planning team to discuss how the proposed changes impact your property by calling us on 7955 7777.
