

## Careers at Council

**WE'RE  
HIRING**

We are seeking suitably qualified people to fill the roles of:

- Asset Accountant
- Customer Service Officers
- Executive Manager - Community Spaces
- Executive Manager - Liveability & Sustainable Development
- Executive Manager - Transport & Engineering
- Executive Manager - Water & Systems
- Intake and Business Development Officer
- Learn to Swim Instructor
- Network Administrator
- Network Technician
- Senior Technical Support Officer & Technical Support Officers
- System Administrators
- Technical Delivery Officer

Visit our website for further information and to apply.

## Council meeting

The next Ordinary Council meeting will be webcast live on Wednesday 24 March at 2pm. Members of the public will be able to view the meeting through an audio-visual weblink.

Due to COVID-19 the ability to physically address Council at a Council meeting is unavailable until further notice. You may however make a written submission to Council in relation to an item on the Agenda. For further information go to [www.midcoast.nsw.gov.au/councilmeetings](http://www.midcoast.nsw.gov.au/councilmeetings).

## Have your say

We are seeking community feedback on:

- Development Proposal DA-265/2021 - Eight (8) Lot Torrens Title Residential Subdivision - Point Road, Tuncurry
- Development Proposal DA2021/1047 - Establish a camp ground - Tuncurry Sporties Club 63-65 Beach Street Tuncurry
- Tea Gardens Jetty replacement
- Ageing Strategy
- Draft Events and Festivals Sponsorship Policy

Visit the Have Your Say page on our website for further info.

## Bulky waste

The annual bulky waste and scrap metal kerbside collection is back this year, currently collecting in the Manning region. The message is loud and clear – don't put your waste out any earlier than specified for your zone or you may be fined.

Manning residents can find full details, including when and how to place your waste on the kerb on our website [www.midcoast.nsw.gov.au/bulkywaste](http://www.midcoast.nsw.gov.au/bulkywaste)

Gloucester and Great Lakes regions will follow. The dates for when you should place waste on the kerb will be provided well in advance. Check our website in the meantime for information on what items will be accepted and what will not.

## Beach permits

With Easter holidays approaching, it is a timely reminder that our beach permits are available to purchase from our customer service centres or one of our authorised re-sellers.

Obtaining a MidCoast Council beach access vehicle permit gives you entry to a range of beautiful, unspoilt beaches in both the Manning and Great Lakes regions.

By obtaining a permit you are also agreeing to comply with rules regarding where and when you can access the beach.

**Please note:** the beach vehicle access point at Kylie's Beach Campground is closed due to erosion in this area and unsafe driving conditions. Signage will be in place at Kylie's Campground, as well as at Crowdy Bay's access point.

To find out more about our beach permits, including pricing and designated areas, head to [midcoast.nsw.gov.au/beachdriving](http://midcoast.nsw.gov.au/beachdriving).

## Development proposal-self contained camping

The Tuncurry Sporties Club has lodged an application to create a camp area for self-contained RVs and trailers on land around the existing club facility.

The application proposes 37 sites for the parking of registered moveable dwellings. The sites are proposed to be established on existing grassland areas and will generally be 12m x 5m.

There will also be five double-sized spaces (24m x 5m) for longer moveable dwellings.

Visit our have your say page for more information.

The deadline for public comment has been extended to 30 March.

## Community donations

Our Community Donations round opened on 1 March, one of our competitive funding opportunities we offer each year.

Community Donations funding rounds are administered under Council's Community Donations Policy which invites not-for-profit organisations to apply for funding to deliver community-development and capacity-building projects and activities. Applications for the 2021/22 Donations Program close on Saturday 27 March.

Full details of eligibility and application criteria can be found at [www.midcoast.nsw.gov.au/community/grants-and-funding](http://www.midcoast.nsw.gov.au/community/grants-and-funding) where you can also complete the online application form.

## Local Heritage Fund

Anyone across the MidCoast who owns a heritage listed place or property within a heritage conservation area, may be eligible for a grant through the Local Heritage Fund.

The Local Heritage Fund aims to preserve the region's heritage while breathing new life into buildings and places from our past.

Some examples of the work that could be completed with the heritage grant funding include repairing front fences, replacing guttering and fascia board, external painting, replacement of roofing and repairs to windows and verandahs.

For further information on the Local Heritage Fund and to find out if your property is eligible, visit [www.midcoast.nsw.gov.au/LHF](http://www.midcoast.nsw.gov.au/LHF) applications close on Monday 19 April.
