Council meeting

The next Ordinary Council meeting will be webcast live on Wednesday 22 March at 2pm.

Members of the public are permitted to attend. The public will also be able to view the meeting via livestream through an audio-visual weblink which is available on our website the morning of the meeting.

There are two opportunities to address Council on the day of a Council meeting, with prior notice and you must register to speak:

1. Open forum – for items not included on the meeting agenda (9.30am)
2. Public forum – for items on the meeting agenda (immediately following the Open forum or at 10am, whichever is the latter)

Bulky waste collection

Find out when Bulky Waste is coming to your neighbourhood.

With the Bulky Waste collection taking about 4 months to cover our entire region, it's important to put your waste out on the date specified for your location – no earlier or you could be fined.

Residents of the following locations are invited to place waste out this weekend, 18/19 March:

Brimbin, Coopernook, Coralville, Croki, Crowdy Head, Ghinni Ghinni, Hannam Vale, Harrington, Johns River, Jones Island, Kundle Kundle, Langley Vale, Lansdowne, Lansdowne Forest, Melinga, Moorland, Moto, Stewarts River, Upper Lansdowne and Waitui.

Look for a brochure in your letterbox closer to the collection in your area, or head to our website (scan the code) to use the online location search function. You'll also find all the information you need to do bulky waste right.

KOALA SAFE SPACES PROGRAM

Help us better understand our koala mates.

As part of the NSW Government's Koala Strategy, we've entered into a four-year regional partnership to improve koala safety, health and conservation.

Get involved today, by reporting koala sightings, nominating for a new reference group, or registering your property as a koala safe space. Learn more online at:
