Pesticide application

We have instructed Local Pest Experts to carry out pesticide applications in the Forster region, which are scheduled to be carried out from 1 April to 31 May 2023.

Pesticides are being used for spiders and cockroaches. Pesticide products will be applied to Council structures including public buildings.

Pesticides used will be selected from: Biflex Aquamax insecticide, Synergy Pro ant bait, Starrdust Pro, Maxforce Gold Gel, Enviromax Deltamethrin, Temprid 75, Termidor and Derman Duo.

Residents (including pets) are advised not to enter the premises through any treated areas until the pesticides used have dried, or any special instructions advised on the notice erected on the day(s) of treatment.

For further information please contact Council.

Funding applications now open

Community Donations program - open to not-for-profit organisations to fund community projects - closes Sunday 2 April.

Local Heritage Fund - open to owners of heritage buildings and properties within heritage conservation areas for restoration works - closes Sunday 16 April.

Event sponsorship - open to event organisers for events to be held in the MidCoast area - closes Friday 31 March.

You can find the funding criteria and application forms at www.midcoast.nsw.gov.au/grants

Bulky waste collection

Wondering when Bulky Waste collection is happening in your area?

While the Bulky Waste kerbside collection is an eagerly anticipated annual event, it covers close to 50,000 households in 195 localities and takes around 4 months from start to finish, weather permitting. That's why it's important to put your waste out on the date specified for your location – no earlier or you could be fined.

The collection is underway in the Manning area, with residents of the following locations invited to place waste out this weekend 11/12 March:

Bohnock, Bootawa, Caffreys Flat, Cooplacurripa, Dollys Flat, Glenthorne, Karaak Flat, Killawarra, Kimbriki, Knorrit Flat, Manning Point, Mitchells Island, Mondrook, Mount George, Number One, Old Bar, Oxley Island, Pampoolah, Purfleet, Saltwater, Taree South, The Bight, Tinonee and Wallabi Point.

Look out for a brochure in your letterbox closer to the collection in your area. You can find out when Bulky Waste is coming your way by scanning the QR code, or visiting our website and using the location search function. You'll also find all the information you need to do bulky waste right.
